Hello Emmanuelle,

The copy of the attendee list which I have received does not name any USDA-RD personnel. Do you have assurances that both Mr. Hayes and Mr. Weatherbee will be in attendance?

Thanks,

Brad Rea

Hello All,

I look forward to meeting everybody next Wednesday at USDA's Phoenix office to discuss the Hopi Arsenic Mitigation Project. Thank you in advance for your participation. I've attached final agenda for our meeting as well as an attendee list.

I understand that the following supporting documents are forthcoming:

1. Response to USDA's comments on the Preliminary Engineering Report - IHS intends to send this document to all participants in advance of the meeting
2. USDA's cost information for the treatment alternative and projected costs per EDU - USDA plans to send this document to all participants in advance of the meeting

I look forward to a productive discussion and to furthering our partnerships on this project.

Emmanuelle
